Asbestos Testing

No asbestos testing has been carried out, we do strongly recommend you have an independent asbestos audit and testing carried out by a third party. Mackay and Sons will not be liable for any areas containing asbestos that have not been visual identified.

Friable Asbestos

From May 2021 LDB asbestos is classed as friable asbestos. We are unable to confirm if the home does contain LDB without testing being completed. If you would like to have the independent testing completed this can be arranged on your behalf.

Kitchen and Bathroom Ceilings and Walls

Cabinetry that is joined to asbestos wall or ceiling sheeting will be removed and disposed of as part of the asbestos removal process.
